Gift Aid

If you would like us to receive back from the tax you have paid on your gift, please complete and return the gift aid declaration on the next page. Thank You.

Gift Aid

The Small Print

Gift Aid is the scheme by which the government gives to a charity, the value of the standard rate of tax the donor has paid on his/her gift. Charities can only reclaim this tax if they have in their possession a validly completed gift aid declaration. Consequently for each donor (tax payer) the charity seeks to obtain a completed Gift Aid declaration. The charity may then reclaim the tax paid, by the donor, currently this is the equivalent of 28p for each £1 donated. Once completed a Gift declaration remains valid until it is cancelled by the donor.
